

SHOW-ME BIOJAPAN: 2009 MISSOURI TRADE MISSION

OCTOBER 6-9, 2009 YOKOHAMA, JAPAN

**WHAT: BIOJAPAN 2009 RECRUITMENT EVENT
WHEN: MAY 1, 2009**

Missouri Department of Economic Development in partnership with Missouri Biotechnology Association, Platte County EDC, St. Louis RCGA and U.S. Commercial Service will be hosting two Recruitment Events on May 1 in the Kansas City and St. Louis area promoting Missouri as a premier destination of the life sciences and biotech industry.

The biotechnology and life science sectors are growing industries in the Japanese market. If you or your company is interested in exporting to or collaborating with a Japanese company, please join us on May 1 to learn more about how your company will benefit by participating in the 2009 Missouri BioJapan Trade Mission. These informational sessions will feature an overview of the Japanese biotech and life science industry as well as information about programs to assist with exporting Missouri products.
